[Talking:]

Yea... Naw baby I can't... I can't be doing it no more you
no what I'm saying I'm a married man now... yea... you
didn't know that... yea I can't be hanging out with the
homies and doing all that... that ain't... I mean it's dope
and all that... but... I really can't do it no more you know
what I'm saying I got to respect mine you know what I'm
saying... but lemme tell you the story

[Verse 1:]

I remember going down south (shit)
Rollin with the homies (yeah)
And I remember I remember I remember
When we were playin oh oh much games
And everyday seekin a different lady

[Chorus:]

But I tell you right now I say I I can't go outside no more
I can't be freaky no nore
I's I's I's a married man now
So say I can't be tempted no more
Say I can't be devillish no more
I's I's I's a married man now
Listen

[Verse 2:]

And I can remember when we used to bang bang screw
Bumpin with the homies gettin blowed out all day long
yeah
And I remember I remember when we did it yeah yeah
And everybody got laid they got laid so tough

[Chorus:]

But you know what I say now baby
I can't be doin it no more
Say I can't be partying no more
Cause oh oh oh oh oh oh
I'm a married man now
Yeah say I I've given my ring away now
I can't be going no more
I'm a married man now

Listen what I say oh oh oh oh oh yeah
Aw no no no
I's a married man
Everyday I live I live to see my lady
Wake up so pretty

[Talking:]

Um listen y'all... if y'all don't believe me... what I'm
talkin about lemme hear you say oh oh oh
I see we have a whole bunch of dem out there... love to
be trippin on dey woman but... I ain't with it I want to
love love love love love her I love her love my little lady
my lady yea yea
