Oh, now, now, now , maintenant,

Oh, yeah Said, oh, yeah
Listen

[Chorus]

Natural woman (In and out) Natural woman (You're
connected now) Natural woman (Natural) Natural
woman (Natural woman, yeah)
Said someone who's independent Needs no man to fill
her vision
Standing strong and proud, ooh, every day (Every day)
My natural woman, my natural woman (Listen))

Mother of Jesus

Pure as white snow She's so beautiful (So beautiful)
So wonderful (So wonderful)
Said I love my precious lady My sanctified lady
Said I love her, yes, She's so innocent, so
characteristic, natural

[Chorus]

Born to lead the world Her life is in God's hands
She's so beautiful (So) Lady with a natural shine
And I believe that man should beware 'Cause he may
not be the one to lead us there To lead us over, over
Over to the promised land, yeah

[Chorus]

And I know she is respected soqu'elle
And uplift her name
'Cause she's all we have So heavenly, we will see, yes,
we will, yes, we will
Said, you heard what God said God said that yes, he'd
build man first But guess what (What ?) said that He
said she's there to be by your side Not under you, not
on you, but right beside you That's right, 50/50 love

[Chorus]

Give me a "W" ("O"), give me a "M" ("E") Give me a "N"
(Yes, what you say, wo-women) Say women, yeah, yeah
(Women, women) Say women, yeah, yeah These are
