And loves light blue  
Led me to you  
Through all the emptiness that had become my home  
Love's lies cruel  
Introduced me to you  
And that moment I knew I was out of hope  
kill me  
I begged and love said no  
Leave me  
For dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no  
Love's icy tomb  
Dug open for you  
Lies in a cemetery that bares my name  
Love's violent tune  
From me to you  
Rips your heart out and leaves you  
Bleeding with a smile on your face  
Kill me  
I begged and love said no  
Leave me  
For dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no  
Loves light blue  
Took me from you  
And that moment I knew I was out of hope  
Again  
Kill me  
I begged and love said no  
Leave me  
For dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no

Love said no  
And love said no
