Oh I see your scars I know where they from  
Sensually carved and bleed until youre dead and gone  
Ive seen it all before beauty splendid soul  
Its when heaven turns to black and hell to white  
Rights to wrong and wrongs to right

Now

Feeling turning your heart into stone  
Feeling piercing your courageous soul  
Beyond now - redemption  
No ones gonna catch you when you fall

Oh I see you crawl you can barely walk  
With arms wide open you keep on begging for more  
Ive been there before knocking on the same door  
Its when hate turns to love and love to hate  
Faith to doubt and doubts to faith

Now

Feeling turning your heart into stone  
Feeling piercing your courageous soul  
Beyond now - redemption  
No ones gonna catch you when you fall
