The kiss, sweetest  
And touch, so warm  
The smile, kindest  
In this world, so cold and strong  
So close to the flame  
Burning brightly  
It won't fade away  
Leave us lonely  
The arms, safest  
And words, so good  
The faith, deepest, yeah  
In this world, so cold and cruel  
So close to the flame  
Burning brightly  
It won't fade away  
Leave us lonely  
So close to the flame  
Burning brightly  
Won't fade away  
Leave us lonely  
Close to the flame  
Burning brightly  
Won't fade away  
Leave us lonely
