I hold your hand in mine  
I hold your hand and youre so lonely  
Oh so lonely  
Your eyes have lost their light  
Your eyes have lost their light and youre empty  
Oh my God youre so empty

(Im in love with you)  
You are my heaven tonight  
(Im in love with you)  
You are my heaven tonight

Trying to find the heart you hide  
Trying to find the heart you hide in vain  
Oh in vain  
And youre my haven in life  
And youre my haven in death, baby  
Life and death my darling

(Im in love with you)  
You are my heaven tonight  
(Im in love with you)  
You are my heaven tonight  
(Im in love with you)  
You are my heaven tonight  
(Im in love with you)  
You are my heaven tonight  
(Im in love with you)

Thats right  
(Im in love with you)  
Thats right  
(Im in love with you)  
Thats right  
(Im in love with you)  
Thats right  
(Im in love with you)
