sung by Ville Valo under the sound of Finnish band  
'The Agents'

Naisiin ei voi pieni poikanen luottaa  
Ne suuren ik?v?n pieneen syd?meen tuottaa  
Mut kun ikkunaa tuijottaa kai pienikin poika illoin saa  
Sielt? katsoo prinsessa unelmain  
Ruudun takaa, Ruudun takaa Ruudun takaa  
tytt?ni katsoo vain  
H?n on naisista kaunein mink? tied?n  
My?s pienet rinnat prinsessallani sied?n  
Hattu on moitteeton ja hyv? my?s rytmi vartalon  
Ruudun takaa tytt?ni katsoo vain  
Oo Glendora Oo Glendora Oo Glendora  
kuinka sua palvon vain  
Kerran illalla ikkunaan taas saavun  
Jo ?ij? toinen prinsessan peitti kaavun  
H?n peitti p?n ja peitti muun sen vaihtaen nukkeen  
koristeltuun  
Ruudun takaa tytt?ni toinen vei  
Ruudun takaa Ruudun takaa Ruudun takaa  
tytt?ni toinen vei

TRANSLATION

The little boy can't trust in women  
They cause in little hearts a lot of sorrow  
But even a little boy may stare at a window in the  
evening  
Out of which a dream princess is looking  
Behind the windowpane behind the windowpane  
My girl is looking out  
Of all women she's the prettiest I know  
Even small breasts I tolerate in my princess  
The hat is perfect and the posture is also good  
Behind the windowpane my girl is looking out  
Oh Glendora oh Glendora  
Oh Glendora how I adore you  
One night I passed by the window again  
Already some some guy was covering her with  
garnments  
He covered her head and everything else  
Exchanging her with a dressed up display dummy  
Behind the windowpane behind the windowpane

Someone else has stolen my girl
