Let me wake up in your arms  
Hear you say its not alright  
Let me be self dead and gone  
So far away from life  
Close my eyes  
Hold me tight  
And bury me deep inside your heart

All I ever wanted was you, my love  
You...all I ever wanted is you, my love  
Youre all I ever wanted, just you

Let me never see the sun  
And never see you smile  
Let us be so dead and so gone  
So far away from life  
Just close my eyes  
Hold me tight  
And bury me deep inside your heart

All I ever wanted was you, my love  
You...all I ever wanted is you, my love  
Youre all I ever wanted, you, oh my love  
Youre all I ever wanted, you, my love

Thats the way its always been  
My heart stops beating only for you baby  
Only for you darling

All I ever wanted was you, my love  
You...all I ever wanted is you, my love  
Youre all I ever wanted, you, my love  
Youre all I ever wanted, you, my love
