I know how it feels to be on your own
In this cruel world where hearts are bound to turn to
stone
Where you are alone
And tired of breathing
Its all going wrong
And you just cant stand the pain any more
Youre too numb to believe in
In anything

Baby just dont close your heart
Baby just dont close your heart
Baby just dont close your heart
Darling dont let me down

I know how easy it is to let go
Surrender to despair lurking at your door
To lose your soul and all your feelings
Strenght all gone
And so many things left unsaid
And deeds undone
Youve stopped caring
cause its all in vain

Baby just dont close your heart
Baby just dont close your heart
Baby just dont close your heart
Darling dont let me down

You are so alone
And tired of breathing
Its all going wrong
And you just cant stand the pain

Baby just dont close your heart
Baby just dont close your heart
Baby just dont close your heart
Darling dont let me down
Dont let me down
Dont let me down
Just dont let me down
