I want to hold the hand inside you
I want to take a breath that's true
I look to you but I see nothing
I look to you to see the truth

You live your life
You go in shadows
You do whatever you do
I look to you but I see nothing, yeah
I look to you to see the truth

Fade into you
Strange you never knew
Fade into you
I think it's strange you never knew

A stranger's light comes on slowly
A stranger's heart without a home, yeah
You put your hands to your head
And then smiles cover your heart, ohh oh

Fade into you
Strange you never knew, ohh oh
Oh, fade into you
I think it's strange you never knew
Oh, you never knew, ohhh ohh oh oh
