I love your skin oh so white
I love your touch cold as ice
And I love every single tear you cry
I just love the way youre losing your life

Ohohohohoh my baby, how beautiful you are
Ohohohohoh my darling, completely torn apart
Youre gone with the sin my baby and beautiful you are
Youre gone with the sin my darling

I adore the despair in your eyes
I worship your lips once red as wine
I crave for your scent sending shivers down my spine
I just love the way youre running out of life

Ohohohohoh my baby, how beautiful you are
Ohohohohoh my darling, completely torn apart
Youre gone with the sin my baby and beautiful you are
Youre gone with the sin my darling

Solo

2x repeat refrain
