I hold your hand in mine
I hold your hand and youre so lonely
Oh so lonely
Your eyes have lost their light
Your eyes have lost their light and youre empty
Oh my God youre so empty

(Im in love with you)
You are my heaven tonight
(Im in love with you)
You are my heaven tonight

Trying to find the heart you hide
Trying to find the heart you hide in vain
Oh in vain
And youre my haven in life
And youre my haven in death, baby
Life and death my darling

(Im in love with you)
You are my heaven tonight
(Im in love with you)
You are my heaven tonight
(Im in love with you)
You are my heaven tonight
(Im in love with you)
You are my heaven tonight
(Im in love with you)

Thats right
(Im in love with you)
Thats right
(Im in love with you)
Thats right
(Im in love with you)
Thats right
(Im in love with you)
