sung by Ville Valo under the sound of Finnish band
'The Agents'

Naisiin ei voi pieni poikanen luottaa
Ne suuren ikkunan pieneen sydämeen tuottaa
Mut kun ikkunaa tuijottaa kai pienikin poika illoin saa
Sieltä katsoo prinsessa unelmain
Ruudun takaa, Ruudun takaa Ruudun takaa
tyttöni katsoo vain
Hän on naisista kaunein minkä tiedän
Myös pienet rinnat prinsessallani siedän
Hattu on moitteeton ja hyvä myös rytmi vartalon
Ruudun takaa tyttöni katsoo vain
Oo Glendora Oo Glendora Oo Glendora
kuinka sua palvon vain
Kerran illalla ikkunaan taas saavun
Jo äijä toinen prinsessan peitti kaavun
Hän peitti pään ja peitti muun sen vaihtaen
nukkeen
koristeltuun
Ruudun takaa tyttöni toinen vei
Ruudun takaa Ruudun takaa Ruudun takaa
tyttöni toinen vei

TRANSLATION

The little boy can't trust in women
They cause in little hearts a lot of sorrow
But even a little boy may stare at a window in the
evening
Out of which a dream princess is looking
Behind the windowpane behind the windowpane
My girl is looking out
Of all women she's the prettiest I know
Even small breasts I tolerate in my princess
The hat is perfect and the posture is also good
Behind the windowpane my girl is looking out
Oh Glendora oh Glendora
Oh Glendora how I adore you
One night I passed by the window again
Already some some guy was covering her with
garments
He covered her head and everything else
Exchanging her with a dressed up display dummy
Behind the windowpane behind the windowpane

Someone else has stolen my girl
