I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love  
I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love  
Open your arms and let me show you what love can be  
like  
It's all tears and it will be 'til the end of your time  
Come closer my love  
Will you let me tear your heart apart?  
Now all hope is gone so drown in this love  
I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love  
I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love  
So my love your laughter is finally turning into tears  
And you're begging for more though the end is getting  
near  
come closer my love  
I'll violate you in the most sensual way... until you drown  
in this love  
I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love  
I'm waiting for you to drown in my love  
So open your arms  
I'm waiting for you to open your arms  
And drown in this love
