I'm waiting for you to drown in my love
So open your arms
(I'm) waiting for you to open your heart
And drown in this love
(I'm) waiting for you to drown in my love
(Baby) Open Your Heart
(I'm) waiting for you to open your heart
And drown in this
(love)
(Eh)
Open your arms let me show you what love can be like
It is all tears and it will be 'til the end of your time
(Come) closer my love
Will you let me tear your heart apart?
Now all hope is gone
So drown in this love
(I'm) waiting for you to drown in my love
So open your heart
(I'm) waiting for you to open your heart
And drown in this love
(I'm) waiting for you to drown in my love
(Baby) Open your heart
(I'm) waiting for you to open your heart
And drown in this
love!
So my love your laughter is finally turning into tears
You're begging for more though the end is getting
near
(come) closer my love
I'll violate you in the most sensual way
Until (baby until!) you drown in my love
I'm waiting for you to drown in my love
So open your arms
(I'm) waiting for you to open your heart
And drown in this love
I'm waiting for you to drown in my love
(Baby) open your arms
(I'm) waiting for you to open your heart
And drown in this . . .
OOO - ooo
(We wanna make the end better)
(So)

I'm waiting for you to drown in my love
So open your arms
(I'm waiting for you to open your heart)
And drown in this love
(I'm waiting for you to drown in my love)
(Baby) open your heart!
(I'm waiting for you to open your heart)
And drown in this love
Yeh! drown in my love
My darling
My love
Drown in this love
In my love
Yeh
Drown
In
This . . .
Love
Yeh
