Baby join me in death  
Baby join me in death  
Baby join me in death

We are so young  
Our lives have just begun  
But already were considering  
Escape from this world

And weve waited for so long  
For this moment to come  
Was so anxious to be together  
Together in death

Wont you die tonight for love  
Baby join me in death  
Wont you die  
Baby join me in death  
Wont you die tonight for love  
Baby join me in death

This world is a cruel place  
And were here only to lose  
So before live tears us apart let  
Death bless me with you

Wont you die tonight for love  
Baby join me in death  
Wont you die  
Baby join me in death  
Wont you die tonight for love  
Baby join me in death

This live aint worth living  
This live aint worth living  
This live aint worth living  
This live aint worth living

Wont you die tonight for love  
Baby join me in death  
Wont you die  
Baby join me in death

Wont you die tonight for love  
Baby join me in death

Baby join me in death
