Confusion writhes around our hearts impatiently
It drains the faith that lights the dark and sets us free
From the chains of our war and the pain we once called
love

The poison of doubt enslaves our minds and we bleed
We abandon the trust that kept us blind and disappear
Under the crimson wings of hate where the lost are
safe
Until they love again

The heart of darkness is hope of finding you there
And that hope will be our loves requiem

We pray to the serpent of delight desperately
The questions are answered and we try not to weep
Until we are sure were suffering for love

In the dungeon of our dreams were so weak
The promise made to be broken still haunts our sleep
We wont open our eyes afraid we would die for love
again

The heart of darkness is hope of finding you there
And that hope will be our loves requiem

The salvation we seek will be waiting us there
In the heart of darkness lonely and scared
With a promise of death for our love
And now that were free from the chains of our dark
love
Im lost
And now that were free from the chains of our dark
love
Im lost

The heart of darkness is hope of finding you there
And that hope will be our loves requiem

Take me into your arms and sing me your beautiful
song
Hold me until were one and sing me youre beautiful

song

The heart of darkness is hope of finding you there

And that hope will be our loves requiem

Take me into your arms and sing me your beautiful

song

Hold me until were one and sing me youre beautiful

song...
