Were drifting apart,  
But I wont give up, no  
Wherever you are I belong  
Love sings us a song  
But we fail to sing along  
Wherever you go I will follow

So please dont let it  
Please dont let it go  
And if you wont let it I wont let it go  
Please dont let it  
Please dont let it go  
And if you wont let it I wont let it go

You try to be strong  
Youve tried it oh so long  
Whatever I do I do it wrong  
And love sings our song  
So eager to sing along  
Whatever you do I know it

So please dont let it  
Please dont let it go  
Cause if you wont let it I wont let it go  
Please dont let it  
Please dont let it go  
Cause if you wont let it I wont let it go

Dont let go of life  
Let go of love  
Let go of all we have

So dont let go of trust  
Let go of lust  
Let go of all we share

So please dont let it  
Please dont let it go  
And if you wont let it I wont let it go  
Please dont let it  
Please dont let it go  
And if you wont let it I wont let it go

So please dont let it  
Please dont let it go  
Cause if you wont let it I wont let it go  
Please dont let it  
Please dont let it go  
Cause if you wont let it I wont let it go
