I taste death in every kiss we share  
Every sundown seems to be the last we have  
Your breath on my skin has the scent of our end  
Im drunk on your tears, baby, cant you see its hurting

Mmhhh mmmhhhh

Every time we touch we get closer to heaven  
And at every sunrise our sins are forgiven  
Uh.uh  
You on my skin this must be the end  
The only way you can love me is to hurt me again  
And again  
And again  
And again

Your love is a razorblade kiss  
Sweetest is the taste from your lips  
Your love is a razorblade kiss  
Sweetest is the taste from your lips

Oh the taste from your lips, my darling  
Taste from your lips, oh my love

Only inside Im free  
Im tired of waiting  
Youve got to let me dream  
Inside you baby  
Im not afraid to feel  
I want you to love me  
Cause you are the one  
Cause you are the one  
Cause you are the one

Your love is a razorblade kiss  
Sweetest is the taste from your lips  
Your love is a razorblade kiss  
Sweetest is the taste from your lips

Your love is a razorblade kiss  
Sweetest is the taste from your lips  
Your love is a razorblade kiss

Sweetest is the taste from your lips
