Heaven ablaze in our eyes  
We're standing still in time  
The blood on our hands is the wine  
We offer as sacrifice

[Chorus]

Come on, and show them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul

This endless mercy mile  
We're crawling side by side  
With hell freezing over in our eyes  
Gods kneel before our crime

[Chorus]

Come on and show, them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul

(Rip out the wings of a butterfly)

Don't let go

(Rip out the wings of a butterfly)

For your soul

[Chorus]

Come on and show them your love  
Rip out the wings of a butterfly  
For your soul, my love  
Rip out the wings of a butterfly  
For your soul

(Rip out the wings of a butterfly)

Don't let go

(Rip out the wings of a butterfly)

For your soul

(Rip out the wings of a butterfly)

Don't let go (my love)

Rip out the wings of a butterfly

For your soul
