I cant see as Im facing your pityful lies
Dont have the strength to carry your heavy load of life
Im your christ and I want you
I just woke up for hearse and you know it as well as I do

Oh

I cant see through your eyes, bring your tears on me
I will leave the body for your shoulder you just have to
killing
Im your christ and I want you
I just woke up for hearse and you know it as well as I do

Oh as well as I do
Oh as well as I do
Just as well as I do
Oh as well as I do
Oh as well as I do

So Im your christ and I want you
I just woke up for hearse and you know it as well as I do
So Im your christ and I want you
I just woke up for hearse and you know it as well as I do

Oh, so youve come from above
And you say you want to
And I kill myself for your love
Im killing myself for you, yes you

I cant see as I face your pityful lies
Dont have the strength to carry your heavy load of life
Im your christ and I want you
I just woke up for hearse and you know it as well as I do

Yes you do
Yes you do, my darling
Yes you do..oh
Yes you do, oh my love
