Today tomorrow seems so far away  
In the waiting lane, yeah  
So safe, in the blinding light of love unchained  
In yesterdays grave, yeah

The truth I can sense so sweet  
Is buried within sweet pandemonium  
Concealed by disbelief  
The riddle stays veiled in sweet pandemonium

Afraid that everything remains unchanged  
In this fragile dream, yeah  
Ashamed of the shattered remains  
Of promises made, yeah

The truth I can sense so sweet  
Is buried within sweet pandemonium  
Concealed by disbelief  
The riddle stays veiled in sweet pandemonium

Trying by the enduring dream  
Faith by the enduring dream  
The secret cries for worrying  
Now were sinking deep in sweet pandemonium

The truth I can sense so sweet  
Is buried within sweet pandemonium  
Concealed by disbelief  
The riddle stays veiled in sweet pandemonium
