I hear you breathe so far from me
I feel your touch so close and real
And I know
My church is not of silver and gold,
Its glory lies beyond judgement of souls
The commandments are of consolation oh

You know our sacred dream wont fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you

I hear you weep so far from me
I taste your tears like youre next to me
And I know
That our prayers are not enough to give
Oh the ancient runes so deep and so dear
The revelation is our patron fear

You know our sacred dream wont fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you

The sacrament is you
The sacrament is you
The sacrament is you
The sacrament is you

You know our sacred dream wont fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you

You know our sacred dream wont fail
The sanctuary tender and so frail
The sacrament of love
The sacrament of warmth is true
The sacrament is you
