No one can hurt you now
In this haven safe and sound
No one can save you now
From this grace you are drowning in
Just hold your breathe on your way down
This Fortress of tears
Iâ€™ve built from my fears, for you
This Fortress wonâ€™t fall
Iâ€™ve built it strong, for you
No one can free you now
From the chains around your heart
Donâ€™t be afraid now
Just dive in this Emptiness
And hold your breath on your way down
This Fortress of tears
Iâ€™ve built from my fears, for you
This Fortress wonâ€™t fall
Iâ€™ve built it strong, for you
No one can hurt you now
In this haven safe and sound
No one can save you now
From this grace you are drowning in
Just hold your breathe on your way down
This Fortress of tears
Iâ€™ve built from my fears, for you
This Fortress wonâ€™t fall
Iâ€™ve built it strong, for you
This Fortress of tears
Iâ€™ve built from my fears, for you
This Fortress wonâ€™t fall
Iâ€™ve built it strong, for you
