You can't escape the wrath of my heart  
Beating to your funeral song (You're so alone)  
All faith is lust for hell regained  
And love dust in the hands of shame (Just be brave)

Let me bleed you this song of my heart deformed  
And lead you along this path in the dark  
Where I belong until I feel your warmth

Chorus

Hold me like you held on to life  
When all fears came alive and entombed me  
Love me like you loved the sun  
Scorching the blood in my vampire heart

I'll be the thorns in every rose  
You've been sent by hope (You'll grow cold)  
I am the nightmare waking you up  
From the dream of a dream of love (Just like before)

Let me weep you this poem as Heaven's gates close  
And paint you my soul, scarred and alone  
Waiting for your kiss to take me back home

Chorus x2

Hold me like you held on to life  
When all fears came alive and entombed me  
Love me like you loved the sun  
Scorching the blood in my vampire heart

(Hold me like you held on to life)  
Like you held on to life  
(When all fears came alive and entombed me)  
My vampire heart  
(Love me like you loved the sun)  
Like you love the sun  
Scorching the blood in my, my vampire heart
