The world was on fire, no one could save me but you
It's strange what desire will make foolish people do
And I'd never dreamed that I'd meet somebody like
you
And I'd never dreamed that I'd lose somebody like you,
no
No I don't wanna fall in love
this world is only gonna break your heart
And i don't wanna fall in love
this world is only gonna break your heart
..with you
What a wicked game to play
To make me feel this way
What a wicked thing to do
To let me dream of you
What a wicked thing to say
You never felt this way
What a wicked thing you do
To make me dream of you
And i don't wanna fall in love
this world is only gonna break your heart
And i don't wanna fall in love
this world is only gonna break your heart
..with you
The world was on fire, no one could save me but you
It's strange what desire will make foolish people do
No and I never dreamed that I'd love somebody like
you
And i never dreamed that I'd lose somebody like you,
no
And I don't wanna fall in love
This world is only gonna break your heart
And i don't wanna fall in love
This world is only gonna break your heart
..with you
Nobody loves no one
