I'm staying away from your negative space
You're only bringing me down
Whenever you come around
I see the look on your face, you're in a world of hate
Don't wanna be the one you take it out on

Anger is a wall around you
No one's getting through
Friendship's falling down around you
What are you gonna do?

I'm trying to give something positive
You wouldn't understand
'Cause it's an open hand
Not a closed fist, are you getting the jist
Or are you just getting pissed

Anger is a wall around you
No one's getting through
Friendship's falling down around you
What are you gonna do?
What are you gonna do?

I'm not willing to waste my time
Believing that you're gonna do what's right
And I won't be there to catch your fall
Only to find I don't know you at all

I'm staying away from your negative space
You're only bringing me down
Whenever you come around
I see the look on your face, you're in a world of hate
Don't wanna be the one you take it out on

Anger is a wall around you
No one's getting through
Friendship's falling down around you
What are you gonna do?
What are you gonna do?

I'm not willing to waste my time
Believing that you're gonna do what's right

And I won't be there to catch your fall
Only to find I don't know you at all

Anger is a wall around you
No one's getting through
Friendship's falling down around you
What are you gonna do?
What are you gonna do?
