Where were you
You weren't here
I screamed and shouted
But you disappeared
Where is the shoulder that made me cry
You went away but I don't know why

Where, were you?

When I needed somebody to trust
When I needed somebody to stand by
I never wanted all that much

Why did you leave?
Why did you lie?

Where were you?

I used to love you
But I want to pretend
Your fucking game
I won't play again
Where were you?
When I needed somebody to hold
When I needed somebody to love
