There are no boundaries to how far I will go,  
Caught in the clutch of a raging libido,  
Tongue subjected to cunnilingus,  
Around the rim, accidental anilingus,  
I live a life of pornography,  
Making explicit smut a reality,  
A deep sexual hunger must be satiated,

Beyond anything fantasized or masturbated,  
An ensuing orgy of impure fornication,  
Indecent indulgences in sexual gratification,  
Intertwined limbs writhe belly to belly,  
Intercourse positions of unwholesome carnality,  
Pink tender openings fingered, licked and fucked,

My hot, hard phallus lovingly sucked,  
Wet quivering quim, every orifice I lubricate,  
Orally, vaginally, and anally I penetrate,  
In every luscious hole, I ejaculate,  
The perversions of Eros I celebrate,  
I long to lap up the sweet nectar of her loins,  
Yearning to lengthily chow on musky cooze,  
Gormandizing on the overflowing font of a greasy  
gorge,  
Drinking the delicious poontang of a harlot's slit-dish,  
I deviate, experimenting in every aspect,  
Fucking every furrowed soft ass meat,

Beyond anything fantasized or masturbated,  
An ensuing orgy of impure fornication,  
Indecent indulgences in sexual gratification,  
Intertwined limbs writhe belly to belly,  
Intercourse positions of unwholesome carnality,  
Pink tender openings fingered, licked and fucked,

My pud-butter into every dumphole I find,  
My engorged, swollen beef-baton gives a colon  
choking reaming,  
Skin folds and cracks caulk with flowing jism,  
I toil for a mutual climax,  
Aroused by inflicting others with sadism,  
Pleasure from pain, victimized by masochism,

Erotic extremes accelerate into hypereroticism,  
I lose myself as I stare with vivid voyuerism,  
As two curvaceous tarts embrace in Sapphism,  
Truly engulfed with incontinence,  
Letting loose my hunger by prurience,  
Upon moist, fleshy gash I prolifebrate,  
The meatus of a virgin vulvae pulls me in,  
Majoras and nymphas hold me tight,  
Nymphomania rages as I insanely copulate,  
Swelling with the searing heat of my sexual instinct,

Beyond anything fantasized or masturbated,  
An ensuing orgy of impure fornication,  
Indecent indulgences in sexual gratification,  
Intertwined limbs writhe belly to belly,  
Intercourse positions of unwholesome carnality,  
Pink tender openings fingered, licked and fucked,

My implacable thrusts batters the maidenhead to  
pieces,  
Screams beg me to stop, another vaginal defeat,  
As I pull out raw, blood spews from my meat,  
Just another vaginal defeat.
