How come I must know  
Where obsession needs to go?  
How come i must know  
The direction of relieving?

Deep in the night  
Far off the light  
Missing my headache

Vissions of light  
Sweeter delight  
Kissin' my loveache

Deep in the night  
Far off the light  
Missing my headache  
Visions of light  
Sweeter delight  
Kissin' my loveache

How come I must know  
Where obsession needs to go?  
How come I must know  
Where the passion hides it's feelings?

How come I must know  
Where obsession needs to go?  
How come I must know  
The direction of relieving?
