As I walk through the Valley of the Shadow of Death  
I tell 'em I should fear no man so where my enemy at?  
I'm movin' dat Phantom wit' cannons  
See the curtains is black  
I murder you niggas for certain and I be in and be back  
Like an Energizer bunny I keep it goin' in fact  
Hop on any track and demolish  
Don't you bother wit' that  
Cuz that bitch who bother  
Me them hollows out the Tahoe  
We be poppin' like it's bottles  
Chop you up like a sarodo in fact  
I get on any shit and rip it peep my energy pack  
Just name any nigga dat want wit' me riddle me that  
Riddle me this, if I don't rip you consider me wack  
I'm on top of the fuckin' game so y'all do better than  
dat  
But I think dey runnin' late dey takin' breaks  
Before you think or even blink I be off up in yo' place  
Put dat heater to yo' face  
And tell you lead me to the safe  
Don't cooperate dat caution tape will cover up yo' place  
This is All Bets nigga on that muthafuckin' Ace  
That is I greedy guy, run up in and take yo' pies  
If you niggas wonder why, look it's in my fuckin' eyes  
Never wonder what's in mind, give you just a bit of time  
I'm starvin' you fuck niggas out of yo' mind  
Fuck yo' problems, fuck yo' momma  
Fuck yo' baby momma drama, fuck yo' sista  
Fuck yo' daughter, when you fuckin' wit' the Devil  
We are rebels  
Hear the tremble when you walk over them pebbles  
Wear them guns like it's a medal bitch  
I heavy metal handle grip, word shop like it's a sander  
I'm 100 and loaded like a muthafuckin' Rambo  
Make you scramble from this ammo  
That I put off in this hammer, bitch it's hammer time  
You asinine, I'm mastermind  
And half the time I'm over time  
And after mine there will be none  
If there's some they runnin' from me half the time  
Yes I am a problem I be wildin'

I be smilin' while I'm askin' for yo' wallet  
What you drivin'? Give me diamonds  
Ask yo' lady she desire me cuz I'm fly as any pilot  
Quitted college just to follow me the sight  
See on an island, I am G-U-T-T-A put this bass up in yo'  
face  
Until you feel the b-b-b-b-bass from this K-K-K-K-K  
I am runnin' in yo' place it is I  
Yes Ace Mister H-Double O-D  
Mister get you when you sleep  
Mister see me in the street  
Bitch I'm a muthafuckin' beast, I never sleep  
I just go eat  
And if I hear of any beef, and then I want a lil' piece  
Just let me get a lil' piece  
I walk yo' block and hit yo' street like I'm a muthafuckin'  
G  
A matter fact I am a G, and you a P-U-S-S-Y  
All you niggas said I couldn't, and I told you to yo' eyes  
And bitch I'm on some murder mind  
And bitch I'm on some other grind  
You can't compare me to yo' kind  
Just listen up and wonder why  
Yes I am blind to you niggas rappin' wit' no passion  
Can't imagine, ever yappin'  
I be rappin', spittin' magic, let you have it  
Now let me breath and let me free you some  
satisfaction

Huhhhhh

October 14th, Gutta

Like I told you niggas befo'  
See I be in and be back  
I'm like an Energizer bunny wit' no energy pack  
Fuck lettin' you niggas go breath, you can swallow the  
track  
Or you can swallow all them hollows that insert to the  
gat  
And see I gave, won't fold now I'm back in yo' chest  
It's all bets on the next nigga show me yo' best  
And next time I come around have that check and da  
cash  
Just tell dem niggas Khaled they should put it all on yo'  
man  
Yeah, put it all on yo' man  
October 14th I'm takin' all bets in advance
