(Intro)

A family that starved together
Hustled together, got rich together
We should ball 4 eva

I pray we ball 4 eva!
4 eva eva, 4 eva eva
4 eva, 4 eva eva
I pray we ball 4 eva!

(Verse)

Came up bottom to the top, I came so far and I never
stop
Product of my block with a Glock and that blackboard
with them locks
Ridin in the Maybach thinkin way back
Aye how we done came from far
How the fuck I get in this
Diamonds concept couple bricks
Peep the Rollie on my wrist, I understand why niggas
pissed
Got no time for niggas hatin, I just make some
reservations
When it come down to my niggas ain't no sense of
hesitation no
Champagne sippin, every night it's movie scripted
Hop up in that coupe and know that bitch just go to
missin
Too much liquor, bad decisions, we just livin like fuck
Lemar
Hit the club and buy it out like fuck the bar
See them pretty fancy cars, better know it's ours
And my niggas do the same thing
I gave em a job and they can feed mouths the same
way
I pray that we ball 4 eva, we all on the same page
Look how far we came

(Bridge)

Started off broke, penny in my pocket
Tryina live a dream, accumulate a profit
Now we getting money, Monday through the Sunday
On another level, my niggas
I pray we ball 4 eva

(Hook)

4 eva eva, 4 eva eva
4 eva, 4 eva eva
I pray we ball 4 eva!
4 eva eva, 4 eva eva
4 eva, 4 eva eva
I pray we ball 4 eva!

(Verse)

Ballin my religion, pistol my supervision
Flooded my Jesus pieces
Sorry I'm superstitious
We them niggas who trendin
Foreign was never in it
Choppa clip come extended, for pussy niggas intended
All these niggas be lovin to hate
Government ain't when I walk in the bank
Ballin bitch, LeBron in the paint
Still I ride with half a tank
Most these niggas claimin they real
There were them hard nights in that field
'Member my dog Jolly got jammed
Get about a couple years in that cell
Now I'm ridin off in that Aston
Kick a whip in that Porsche
In the off of that BMW, next move is that Forbes
Young niggas, young niggas
Fuck boys can't run with us
Talk toys you dumb boys
That glock kick like a 4 wheeler
Say 2 shows in one day
See recline on PJ
Take a look at my niggas face
Oh Lord how far we came
Went from struggling to finer things
Now it's platinum chains and diamond rings

(Bridge)

Started off broke, penny in my pocket
Tryina live a dream, accumulate a profit
Now we getting money, Monday through the Sunday
On another level, my niggas
I pray we ball 4 eva

(Hook)

4 eva eva, 4 eva eva
4 eva, 4 eva eva
I pray we ball 4 eva!
4 eva eva, 4 eva eva
4 eva, 4 eva eva
I pray we ball 4 eva!

(Verse)

For the money and the power, get it by any means
Real niggas do real things
I say I'm countin all this paper
Bitch we livin a dream
Real niggas do real things
