Hello gorgeous I'm Mr. Hood

Good girl gone fucking bad. I bet she fucking
Good she asking where the party at. She beautiful
So she get away with it and all of this to her for making
it.

[Kevin Cossom:]

Beautiful girl ahahah no matter who you
Are whether a superstar whether your regular you
Know I love ya so here's my song for you girl
This my song for you girl. [X4]

[Ace Hood:]

I think I met her bout a year ago college girl.
She was flautist state seminal had a job at the mall
working 10 - 4
Hella fine ain't lying ya'll don't hear me though.
So I'm walking right up to her hey my name Ace.
She replied with a smile and said her name shay.
Ha-ha very conservated I love that fitted jeans
Rocking jays and a snapback Yeah but I can see
That you a killa girl. See you hot in that physic you gotta
Get it girl. Uh and you the shit but she don't know it yet.
Turning red got her blushing where ya momma at. Uh
cause
All I wanna do is thank her I'm using beautiful and
gorgeous
In the same verse I swear I'm tripping you just got me
open.
And hope that we can get it cracking when I'm highly
open

[Kevin Cossom:]

Beautiful girl ahahah no matter who you
Are whether a superstar whether your regular you
Know I love ya so here's my song for you girl
This my song for you girl. [X4]

[Ace Hood:]

Uh and I just hope this got you motivated
That's cause yo body got me cultivated seeing your

fine
Ass alone I just can't tolerate it. And all your friends
Say I'm a dog every conversation mad cause you
Smiling more on a daily basis Tell me why they
Hating everything's accommodated. I'm just
Searching for your love but I'll be very patient.
True story had a thing before we started dating.
Said she never heard beautiful so many times.
See these guys approaching with all the wrong lines.
That's the reason for being single a long time and all
The roses I sent you pleasure were all mine yeah.
Women are beautiful in many ways confidence the
stain
Never let it wipe away. What's a man without a woman?
I'm just here to say yeah I'm just here to say

[Kevin Cossom:]

Oh Oh Oh

Beautiful girl ahahah no matter who you
Are whether a superstar whether your regular you
Know I love ya so here's my song for you girl
This my song for you girl. [X4]
