And we can be friends, this the remix

[Hook: Chris Brown]

Baby, you don't have to try to read my mind

Cause I know you wanna get it in

And tell me why would we just think about

If you want it then I got it

We can be body to body, Body to body

I don't mean to rush you girl

But We should be body to body

Body to body,( it's the hood) body to body

Nibblin' on ya ear, she love that teasin' stuff

See youse a nasty girl, with yo fine ass

If it's wet enough I might just need a wine glass

Ha, I'm super freaky, no top on the ghini, no flaw in my diamonds

A house on my pinky, We body 2 body, I keep me a hottie

She kinky as hell, get it off in the lobbies

[Hook: Chris Brown]

Baby, you don't have to try to read my mind

Cause I know you wanna get it in (remix)

And tell me why would we just think about
