### **"Born An Og"**

Visit "[Born An Og](#)" on MotoLyrics.com

I wake up and got 4 or 5 bitches in the bed  
Smokin' weed, drinkin' liquor by da keg  
I was born an OG if y'ain't heard about me  
I put 4 or 5 bullets in ya head

Yeah, Luda, as if the gilatene chopped off my noggin  
I got my head gone, got the pedal to the metal  
And my Lambo poppin' in the red zone, speedin'  
Like keenen is breathin' heavin' and breathin' hard

But I roll with heathens that just, just don't seem to  
believe in God  
I'll whip yo head boy, put ya body in the bottom of the  
ocean  
Mean while Ludacris is in the MIA with Ace Hood  
somewhere smokin'  
Got a pound of the purp and the smell on my shirt

So I'm lookin' like roll it up, I be swimmin' in a pool of  
blood  
'Cause the AK super soke it up, ha, ha, ha, ahh  
Fuck that, I'ma come back with it like this  
Come back with it, ha, ha, ha, ha

Nasty Ludacris on the track with it  
Got enough ammo to blow you out of proportion  
And put a muthafucka on his back with it  
I'm so wrong, I'm so Gudda, I'm so dangerous, ain't I?

I'm so gone off these suckas but the flama's will bang  
ya  
'Cause I'm a solid aima, the fat lady got a song to sang  
ya  
Mean while I stashed all yo bricks in more hookers  
Than a hundred airplane hangers

I'm so high, I'm so fly, that is a fuckin' shame  
Smokin' weed by the bush with that kush  
And you so fuckin' lame

I wake up and got 4 or 5 bitches in the bed  
Smokin' weed, drinkin' liquor by da keg

I was born an OG if y'ain't heard about me  
I put 4 or 5 bullets in ya head

I wake up and got 4 or 5 bitches in the bed  
Smokin' weed, drinkin' liquor by da keg  
I was born an OG if y'ain't heard about me  
I put 4 or 5 bullets in ya head

In ya head nigga, Young Gudda, Ace Hood homie  
And I'ma ball like a dawg and I'm never gone fall  
You can call me jollin', baby in a Lamborghini drop top

And I can't stop myself from stuntin' lately  
And I'm stickin' to my dollas that's my motto  
You can follow and I'm holla tell 'em it's fuck you pay  
me
