ok now, shout out to lebron i swear you ball out every
time
at the game on the wood with elite editions 9
got that rolex on my arm i swear to god that it's our
time
and ? i ain't worried, know the ? they be lying
why you mad? cause we balling, yeah that he be on the
rise
got that top off the whip, yeah you know that's how i
ride
we the champs, yeah the champs, alley-hooping on
they ass
team heat, hard dick, back that up with 20 grand
red and black, straight like that, and the finest gotta
shine
we got way, we got bron, at the same damn time
rocking all black and ? at the same damn time
he be balling i be balling, we got the same damn mind
me and wayne be on the floor, at the same damn time
repping we the best in ? same time
still ? like i'm broke, hell yeah, made it grind
got 2 chicks, doing both at the same damn time
rocking fendi and versace at the same damn time
had 2 ? at the same damn time
so my love we're making good i swear to god that ?
fine
got a chick who kinda ? swear to god i ain't lie
if i ever your face you better ?
i just had to make that clear, shout my ?
i wear gucci, i wear prada, at the same damn time
on the floor, cooking dope, at the same damn time
selling white, selling met, at the same damn time
fucking 2 bad pussies, a the same damn time
at the same damn time, at the same damn time
at the same damn time, at the same damn time
i'm the ? i'm the ? at the same damn time, ?
