Fall in that club and I roll up my dough

VIP Phantom with bitches and smoke  
20 years in and I'm skip up in tax  
Discipline but with my hash and my stack  
White girls on Molly with titties like Dolly  
Face like in Cajun, a Jameson body  
35 groupies with feminine movie  
Enema house, John Belushi  
That's to make her dance, these will make 'er fuck  
Money in my pocket, screw in my cut  
The bar don't good till nigga see milk drop ash on silk  
Gonna stall like Will  
Shy to make me feel, lemme fuck you on the peel  
Blue eyed, dark haired, straight from Brazil  
So anabolic make a bitch catch steel  
THC, smokin' on the kill  
Yea, I had to get 'er  
Take her to the suit and hit 'er  
Skittin' all night tongue that's what I did, got called a  
babysitter  
Black and yellow diamonds on me callin' bitch purr

Can't go on lifestyle rhyme, can't go roll with a nigga  
out the hood  
That pussy leakin', she hallin  
For better on this molly  
Took you to the extreme live in the kitchen like Yo Gotti  
I'm 2 hours in it, switched up the drinks, sir mean the  
hazel at  
Don't walk in on me I'm like bruh, bruh you see this?
