Now who am I muthafuckas, wanna know
When I pull up in a rova, they know that its ova
Big hold and ya body like coasters
Creep creep we deep with soldiers
Black hoes that'll carry that toaster
Hot head now they callin me foldiers
But still creep in adidas wit dem heatas and dem

When I see where your family at
Pop pop just call me ace
Slump niggas umma call you dead
Click clack then your t-shirt red
Hand em a tampon
No batteries included, know that the clip be hands on
And I take your mans arm
Leave his bodie slumped and the damned dawn
