I say the man at nothing like a pair of new J's
Speaking of em I got on the 9 cool greys
Switching them up like every day those 32s are like my
faith
Can't just cop a pair I need a couple I'm in the game

[Hook: Ace Hood]

I got them J's hoe
I got the J's though
Same ones that my homie MJ wore
I got them J's though
I got them J's though
Hit up the Flight Club they know what I came for

[Verse 1: Ace Hood]

Stackin one through twenty-three everything that's on
the shelf
Got a room full of J's people think I need some help
I got them J's though, already paid for
I want them Jordan's Mama that's just what I pray for
I remember growin' up watching Jordan on his Bull
shit
Look at them 132s and them black and red
And them Space Jams and the patent leather
Shorts on with them 82s on with them tank top and
summer weather
Everytime a new J drop I go run and cop cause I new
better
Im sneaker freakin'
I got my own homies geekin'
Like where you get em from?
See he aint never seen em
Them black and yellow 42s
Sold out when it hit the store
I wake up every morning, which ones puttin on?
