[Intro]

Lord forgive â€~em, for they know not what they do
As I walk through that Valley of the Shadow of Death
See no pussyâ€!

[Verse 1]

So I guess we finally meet again
Should I kill â€~em? Well, that all depends
Due to success I started losing friends
Nigga sleepinâ€™™, only reason he donâ€™™ t follow trends
Never was a gimmick, the realest in it, come bear witness
And I see them rappers is actors, boy, they so Robin Givens
I kept it humble, my stomach grumble, my Rollie tickinâ€™™
They did me dirty, I may forgive â€~em, but wonâ€™™ t forget it
And not to mention, they wasnâ€™™ t worthy of what Iâ€™™ m spittinâ€™™
Itâ€™™ s Godâ€™™ s will, and them haters just pray they could prevent it
Iâ€™™ m so addicted to gettinâ€™™ it, I need intervention
The hottest spittinâ€™™, your favorite rapper scared to admit it
Have mercy, let me bow my head
I count a million up, thatâ€™™ s deadly bread
Ainâ€™™ t no more humble in me, shit is dead
Tell them pussy niggas I ainâ€™™ t never scared
Poor niggas hate to see a nigga win
Say you cominâ€™™ for me? Pussy nigga, when?
I been coldhearted since I lost a twin
I swear I love it when they hate, I made a hit again
I did this before my niggas, then
Use your bitch whenever like a membership
Never bothered over Twitter beef
Weâ€™™ ll probably never meet up where the money be
Me and Kicko on the woodgrain, yeah, the money seats
Five grand just to see him hit a three
Balenciagas on a nigga feet

Death to the competition, may they rest in peace

[Hook]

I know my mama prayin' for me, I hope your mama
prayin' too
'Cause me and my niggas gotta eat, we'll die
over these canned foods
Have mercy on a real nigga, 'cause I'm
sinnin' every day, Lord
Have mercy on a real nigga, 'cause I'm
for my niggas, dog

[Verse 2]

What the fuck these niggas talkin' 'bout?
Load the choppers, bring them problems that they
talkin' 'bout
Roll the reefer, no Khalifa, you gon' ride or die
No homicide, it's suicide before I testify
That's on my daughter, I'm runnin' Florida,
no kinda, sorta
And I hear 'em talkin', that money callin',
them out of order
Yeah, nigga "fuck all that talkin', be 'bout it,
then
A lot of small talk, there they go runnin' their mouth
again
Bold nigga, 'til they meet them gorillas
Fuck a cavalry, my niggas ain't got no feelings
Money is the motive, family is the reason
On my mama, ain't nobody ever came between it
And they never will, streets got me grippin' steel
These scared niggas need to go to church or either Dr.
Phil
I tell 'em look me in my eyes, we are not the same
Lion-hearted nigga, gunpowder in my veins

[Bridge]

Have mercy on 'em!
Bow your head!

[Hook]

I know my mama prayin' for me, I hope your mama
prayin' too
'Cause me and my niggas gotta eat, we'll die
over these canned foods
Have mercy on a real nigga, 'cause I'm
sinnin' every day, Lord
Have mercy on a real nigga, 'cause I'm
for my niggas, dog

[Verse 3]

Pussy niggas still hatin' hard
Bitch, I just went and bought the boulevard
Bitch, I just went and blew another check
'Bout my money, catch a bullet tryna intercept
Jumpin' up out that whip, I let my chain swing
Blood up on my sneakers like I gangbang
Every day's a struggle tryna maintain
And free my real niggas in the chain gang
I hear them broke niggas still talkin'
Watch your words, do be very cautious
You threaten mine, you can pick a coffin
Ain't no talkin', tell 'em shock it once it go to
sparkin'
Self-made Rollie and a pair of Js
Hood nigga livin' like I'm Bruce Wayne
New Ferrari kickin' like it's Liu Kang
Real nigga, ain't it true? 2 Chainz

[Hook]

I know my mama prayin' for me, I hope your mama
prayin' too
'Cause me and my niggas gotta eat, we'll die
over these canned foods
Have mercy on a real nigga, 'cause I'm
sinnin' every day, Lord
Have mercy on a real nigga, 'cause I'mma ride
for my niggas, dog
