[Intro]

See I'm in that Chevy tonight homeboy
Dollars and Deals, We the Best the empire
I'm on my fly shit

[Chorus]

A old school Chevy, big motor pipes, 26 flo
Get your money right, a hundred for the chain
Twenty for the ring, the bitches know the name
My watch and chain like, hello, hello, hello
Hello, hello, hello, hello, hello, hello, hello
Hello, hello, hello, I'm in this thang like

[Verse 1]

Chea
Ace Hood!
I'm in this motherfucker, so what it is?
And what it do though?
You keep the two I be ridin' in that fo' do'
I hit the club let them hoes take a photo
I'm gettin mo' dough, trunk full of white snow
Just hit me on my TMO, I get your price low
Hot off the press call it espresso
I'm gettin' Starbucks
That's twenty five a show
I'm gettin' Starbucks
That's twenty five a show
I'm gettin' Starbucks
That's twenty five a show
Sorry I got to go, I'm on my money shit
If you ain't talkin' dollars, holler "That's irrelevant!"
I'm watchin' aliens, it ain't from this planet
You see the bright bezels haters can't stand it

My neck on froze, call it the North Pole, my pockets on
swole

I'm good to go, hello!
I got it jumpin' like Jell-O
Bitches heard the Chevy call that bitch Donatello

[Chorus]

[Verse 2]

Chea

And yes sir, it is I again, Ace Hood!

Bang bang let me in this motherfucker

Now we headed to the V.I.P. section

You heard him in your town you better send your text in

You see the necklace, talkin' when the light hit

Barack Obama chain, copped it fo' election, you try to
snatch mine

Baby it's chopper time, you catchin' twenty nine

So pussy nigga

Hello!

Yeah, and I'm a fool like Lo

See me on the L.O., movin' bricks by the L.O.

I pull up in that Charger, somethin' like San Diego

Sittin' in a deuce tre O, money out of the window

Chain tellin' 'em, hello!

Lil mama what's your name?

I know she see the frames, she hypnotized by the ring

So I walk up in this thing, I'm sure to get me some brain

I'm sure you know the name, when I'm pullin' up in this
thing

And uh

[Chorus]
