[Ace Hood - Verse 1]

Okay

Keys to the benz

Breeze in the wind

Chicks get a tan

LV's in the lense

Fresh like some homemade drinks in the fridge

Gotta keep a bad chick, click and her friends

Im just living my life, neck full of ice

See the rims roll like the game of the dice

Plus it came with the pipes, came with the top

Had to get it sliced, like a head full of lice

Nevermind was the price, cop it on site

Neck looking like a city fell full of lights

Im a made ass nigga, bank and bigger

Only 19 when I seen 6 figures

Lord knows I'm a sinner, knows my dilemma

Keep a thick knott, in my hard blue denim

Let the hot water simmer, friends turn bitter

Hope a nigga fall when they scream out timber,

I be cool like the winter, no Decemeber

Two bad chicks, thats a two piece dinner

Ridin in a benz, I'm a Rose sippa

Pour a little outt

R.I.P my niggasss

[Ace Hood - Verse 2]

Uh,

Okay I came in the game, pray for the change

Click that I claim, put the name on the chain

Couple years of the fame, life aint the same

Plenty champagne, first class on the planes

And it got a nigga laid, i just feel im in the daze

Music that I made, I just started gettin praise

Everyday I pray, god keep me in the wave

Never let it phase, now im really gettin paid

See a nigga swag, courtside Heat game

Probably routin on my nigga Lebron James

The homie Dwayne Wade, just lookin out for the fay

Jay thats in your face, the champs is on the way

Swoosh im in the coupe, oops there goes the roof

True my bitch bad, and ass as thick as a nuis
My cash will introduce, my swagger in the room
Hit a couple of buttons, and the engine will vroom
vroom
Shorty frontin to fuck, she'll kindly get the broom
And its facts so dont assume
Man you niggas are after, like noon
And tell my moms new crib, got plenty of rooms

Ye, Eyy, Hahaha
We on our way to the good times baby
