[Verse1]

Okay my city on the map  
Yea Nigga know I'm runnin' now  
Ball all day and all night then I run it back  
Need a new Huma, all bitches try to fuckin' at  
Told my niggas we gon get this money, I ain't  
lookin' back  
Catch me switchin' meals in the lobby, now the  
party at  
Bitches lookin' at me cuz they know that where the  
money at  
Fast lane, fast lane, I be getting mad brain  
Glock 9, lights out  
Fuck that Mr. NiceGuy  
Rollie that I'm rockin', make your bitch come  
ride her on the wheel  
Swaggin' in this bitch, them Loubrettons I got  
them hard a pair  
We the best, nothing less  
YMCMB, boy  
I be in that SUV with killers from the D boy  
Hell yea, fuckin' right  
How about every fuckin' night?  
What's up with your frieminem? Nigga try to fuck  
all night  
Sparkle up, sparkle up, they bringin' them bottles  
out  
I don't really give a F-U-C-K, I'm passin' the  
mollies out

[Chorus]

Bad bitches already know  
Real nigga done walk through the door  
Shouts to the niggas getting money  
Two times, we them niggas who run it  
I came here to speak, just to turn it up  
Turned up, nigga rolled up  
Leggo leggo leggo leggo  
Leggo leggo leggo leggo  
Bad bitches already know  
Real nigga done walk through the door  
Shouts to the niggas getting money  
Two times, we them niggas who run it

[Verse2]

Kay I drop pink Phantom, baby you know I'm about that

Pull up to the valley, hella swaggin', bitches know who's that

Hop about to whip my Spanish bitch, she gotta bubble bath

Outfit cost a couple grand, pockets holdin' 40 racks

Leggo leggo, all my niggas kicked up, flay bo

Chillin' in the VI, they know

Watch a nigga repo yo ho

Ok, nigga standin' on top of the sofa

Slidin' this bitch with my toaster

25 bottles of that potion

So I got them bad hoes open

I say go DJ, nigga turn up

(Turn up) turn up (turn up) nigga word up

Still shinin' a nigga like Vegas

Rolex cost me 80

50 more around my neck

Ride me, who nigga? You crazy

Cuz I'm in this bitch with the goonies

With the toolies, make movies

I say some of you niggas try to act up

We just try to party though

I be in my section like which one these bitches tryna go

Penthouse on 8th floor, 30 packs of Trojan go

Say she downs for the team, so I'm likely go leggo

[Chorus]

Bad bitches already know

Real nigga done walk through the door

Shouts to the niggas getting money

Two times, we them niggas who run it

I came here to speak, just to turn it up

Turned up, nigga rolled up

Leggo leggo leggo leggo

Leggo leggo leggo leggo

Bad bitches already know

Real nigga done walk through the door

Shouts to the niggas getting money

Two times, we them niggas who run it
