(Verse 1)

Man it was jus the other day ever thing was all good
Membra like yesterday when we was chillin in da hood
Dreamin' of bigga thing as ah younga nigga should
Wanna take care of da fam we jus wishin that we could
Notha day and da dolla steady chasin the commas
Studio went fa hours im snappin' like ah piranha
Only was 17 but loyalty was da honor
Ridin round in that bubble he keep the eagle for drama
Man I put dat on my life dats my muthafuckin dawg
Anybody want problem dats da nigga I'd call
Jus kno he commin' runnin wit da shit da clear da mall
Youngin' thuggin he bustin' if you eva playin' frog
Me and four fifth wer brothers felt like we done it all
Then one day in the studio was when I got da call
Man it was 09 when I lost my dawg
And still ta dis day da tears continue ta fall
I love my nigga see da pain still remains
Kno you watchin from heaven how far dat ya nigga
came
So I tatted ya name to show you I neva changed
Progress da aim tha bond still remains my nigga

(Chorus)

Don't give ah damn about the law
Ima push my luck
Gotta ah few haters
So the two longs tough
Got ah small circle
All we has is trust
Me and my dawgs
And all we got is us
Pour ah lil liquor
Forget about the pain
Lotta niggas in the dirt
So the sky is where we aim
Now we got the money da power and the fame
Lotts shit done changed
Now we riding down memory lane
Its jus me and my dawgs
And we riding down memory lane
Down memory lane

We in dat all white range
Its jus me and my niggas
And we ridin down memory lane
Down memory lane
We ridin down memory lane

(Verse 2)

Chea, and I jus gotta keep it real im tellin' ya how I feel
Talkin before da deal when I was back in da field

Hit ah couple of clubs den ah couple ah girl

I was off in da room waitin on my nigga call
Not knowin dats the last time we would even talk
I told'em to be safe and send da deuces to my dawg
Ah couple hours lata gotta unexpected call
My homie he was cryin I knew dat it was bad
He told me dale gone ya lyin out ya ass
