Ace hooooood (mine mine)

[Ace Hood:]

Big money talking if you broke stay quiet
And watch how all my niggas in a club make a riot
Throwing honeys in the sky
And watch it all fall
I'm blopping on your lady cause' she love to watch me
ball
She be giving me the eye
I'm giving her a call
Then it's back to the suites
Next week the Taj mahal
Every day is like a sweet stick
Pick out what you want
It ain't trickin' if you got it baby
Pick out what you want
Reclimb your seat back
And let yourself go
You ain't a Mr. Berrada
I spit that cash flow
Now let her hands go

Lil homie you lame
I have her back to you tomorrow
I let my niggas say
Homie

Your old boyfriend don't wanna pay your rent
I put five stacks only that ain't **** (that ain't ****)
Take you out the hood
Put you in the heels
Put you in a crib
This is how you should live
A girl like you should be sitting on a yacht
Looking down at ya rock

Mine mine mine mine
Oh! She wanna be mine
I I I get white boy money (mine mine mine)
Man she wanna be mine (mine mine mine)
