Fresh Louis V. jeans and a fitted cap
A brand new old school wit' the top back
See ain't another gettin' money so clear
We got money ova here, kick it wit' a millionaire
'Cause I look like money, I smell like money
My swag one hundred, system fulla that scummy
I ball like a dawg seven days of the week
They don't get it like this, tell 'em get like me
We got money ova here, we got money ova here
We got money ova here, we got money ova here
See you chillin' wit' a lame baby he ain't got change
Ain't no money ova there, kick it wit' a millionaire

[Verse 1]

Fresh on the scene a hundred grand in the jeans
Bet you can't get these, spent a grand for the Visa
Let my pants hang and you know I'm on lean
Rollin' wit' some O.G.s, and they all tote beams
I'm the man in my city tell 'em get like me
I'm the man in the club blowin' stacks ery week
Ask ya chick 'bout the kid bet she wanna do me
And I let her get the donk plus the stacks and the ki's
Give her drank in a Louis V. type things
We got money ova here, we got money ova here
See the jewels too loud baby girl I can't hear
Trash bag fulla ones, throw the money in the air

[Chorus]

'Cause I look like money, I smell like money
My swag one hundred, system fulla that scummy
I ball like a dawg seven days of the week
They don't get it like this, tell 'em get like me
We got money ova here, we got money ova here
We got money ova here, we got money ova here
See you chillin' wit' a lame baby he ain't got change
Ain't no money ova there, kick it wit' a millionaire

[Verse 2]

We got money ova here, you can tell by the wrist glow
Cash flow, nympho, see me in a six fo'
Pants hang low 'cause the dough got me Krypto

Drop straight cash while you crabs at a rental
Eighty for the Jag' paper tags, what is info?
Money out the ass I don't brag I just get mo'
Say you gettin' cash tryin' flash I don't think so
Pull up in the jalapen Lamborghini
Up on a truck bet you've neva seen those
Wit' a hot lil' mamma named Jalapeno
Drop stacks in a bag gotta keep it G-code
There ain't no money ova there and she already know

[Chorus]

[Hook]
