[Ace hood]

Just right my type what I like

And that dress fit nice can we kick it tonight?

[Trey Songz]

Just Tryna get it right for the

End of the night shots of the air

Just to clear my mind baby im a sag

Tell me whatâ€™s your sign from the

Bottom to the top girl you just my kind

I need your love (ohoh), need your love

[Ace Hood]

Got my mind so blown blaze so what?

Showin up, wait baby holâ€™ up

Her love shawty know I really need that

Canâ€™t live without it I need rehab

From the pretty lipstick thinking how the waist sits, so
thick

Man that ass need a D cal, May weather with the stick at
the

Beat down throw it back imma snatch ya like a
rebound, Buss that

Yeah shawty like a grey hound, what up doe lil mama
from the

D town girl I need your love its like fresh air kick it with
a young

Prince like bel air just as long as you never do a
farewell, they steal, but

Theyâ€™ll never get to touch still, see you bad as hell
and they know it

Fresh up outta the shower with that lotion, bend it over
you

Might cause a commotion reminiscin how lâ€™m
swimming in your ocean

Go ahead lil mama cut the swag up on em with the fly
red bottoms, me
And you make sense get them other boys pissed,
cause they already gutta, cause I need that love, swear
its something like a drug, come fucks with a thug from
the bed to the tub
[Repeat Chorus]

[Ace hood]

Thatâ€™s right shawty welcome to the good life
We can do dinner time if the mood right on the
Water with the stars and the moonlight I
Deserve that love you the wife type
Make sense im a boss and you need that
Upgraded, hand bash, baby burkin
Credit cards going hard up in neimans
Like karon B I really mean it,
Ha thatâ€™s my sense of humour and
See im like really Tryna pursue you but
I know your last boyfriend was a loser and
Aint lying im just way more cooler Ha, imma
Fly young man take ya anywhere wanna im the
Guy can hoping for that chance I can give you my time
For your love in advance, and thatâ€™s all I demand
so
Shawty watcha sayin, money aint a thang lil mama
You can trip to the land we aint even gotta plan, put
Ya feet in the sand and its back to the suite, no sleep in
The bed, straight freak in the sheets imma beast with
The D so D, damn

[Repeat Chorus]

[Ace Hood]

Girl you killin em hoes (I know it)
Watch ya walk by (wait for it)
Ya that ass looking perfect
Girl look at how you work it
You aint even have to pay for it
(I know it) Uh flying in that jeep truck
With the doors off, top off can you take yours?
Off Ha-ha im so crazy and that the reason why
You love me baby Girl you killin em hoes (I know it)
Watch ya walk by (wait for it) she already know
That I keep that shit Hunnit, fuck er with my shades
On call me stevie wonder put it so deep she can feel
It in her stomach dick so good I can tell it when she
Run it, eyes rolled back I can tell it when you cuming
Tongue game mean I can tell it when she love me
[Trey Songz]

Just Tryna get it right for the end of the night
Shots of air just to clear my mind
Baby lâ€™m a sag, tell me whatâ€™s youâ€™re sign

From the bottom to the top, girl youâ€™re just my kind
I need your love, need your love
(I need oh I need)
