[Intro]

Hustla

Ruthless

Struggle

Real nigga radio

[Chorus - Ace Hood]

I been on my grind, I done hustled fa green

I done hustled fa days just to go and get paid

I done been on them blocks, I done ran from no cops

And I done sold them rocks but at the end of the day

I gotta get paid.

[Verse 1 - Ace Hood]

Well I'm a Broward County carnivore

Get it like I got a boy

Money what I hustled for, grind to the fuckin' core

Eva since that I was born, street nigga I was sworn

Made nigga fuck a whore, M.O. be the preacha boy

Eitha I'm the featas meet the heata millimeta toy

Love to go and meet a boy, bang nice to meet'cha boy

Yeah, you a dead nigga comin' soon

Chea, Young Gutta I was born without that silver spoon

Pen and pad Dad sniffin' in the livin' room

Messin' up his innertubes, rule number one to move

One supply you neva use, that's the code I'm stickin' to

Money is my institute, drug is my prostitute

And I call this my interlude, rappa they identi' fools

Grindin' since I been in school

Eatin' without that fork or spoon, money man stickin' to it

Money man you should do it, yappa choppa stickin' to it

Thuggin' in my blood fluid

[Chorus X2]

[Verse 2 - Ace Hood]

And mamma taught me always told me "Getcha money youngin'."

Just don't amount to nothin'

Always seemed to reach for something

I took her word in vain and claimed to keep that paper comin'

Them case a hundreds keep them cloudy days away  
from sunny  
But long nights a paranoia let 'em take it from me  
So I toss and turn, blow and burn till my eyes turn  
That yappa ferm pop a germ if any concerns,  
I got them goons lurkin' haters murder paint it perfect  
That's dirty work and let my killas do unrated versions  
'Cause I'm a hustla, so 954  
Black tee from the neighborhood corner store  
Thugged out went South when I was just a boy  
I figured money was my only institution ward  
Was never crazy, fuck you pay me, neva was a maybe  
You eva play miss ya lady kiss ya baby bye  
Was only sixteen with pistols in my toolbox

[Chorus X2]

I gotta get paid  
I gotta get paid

[Chorus]
