Club packed and my section ready
Pullin up in that 9-11
Bitches lookin like who that is?
You would think that this Mackavelli
Say all eyes on me
2Pac rest in peace
50 racks in my pocket
Barely fit in my jeans
Where the good pussy at?
Where it's at? Where it's at?
Shorty waist is super slim
And that ass is super fat
I said I'm lookin for it
Yea, I'm lookin for it
When I give her that dick I plug that pussy like stitchin

Man I got rich now they hatin
All it took was some patience
People say I'm underrated
Well I'mma be dopin, show greatness
I be in and out of this city
Hustle, gotta go get it
Celebrate with my team
Feels good to be winnin
