

## Ace Hood "Spoke To My Momma"

Visit "[Spoke To My Momma](#)" on MotoLyrics.com

Mama can finally smile  
Pray for a better life  
Just to see me to the tuff nice

Spoke to my mama just the other day  
I told her only god can make a way  
I'm here in... runnin down to face  
So she fed up with the struggle each and every day  
My step... in the way, too many biz my mama gotta pay  
But know I got it no doubt about it no penny grave  
They tell us about it my... made  
And I just wep me like under...  
I pray that one day you see me speak at the vma's  
And me and... back back in the ladies things  
... read the f\*cking game  
Hard work pays off go and get it days off  
I know they all remember me they recognize the name  
I was that... my niggas deal... carry in the flame  
And everybody say I wouldn't take a walk a shame  
Though about you haters when I got my pinky...  
Live your reality and used to be a gray dream  
Hustle hard 8 day getting money five way  
Say no shit just a different way, out to try to get it

I'm out here get the pay  
I'm out here get the pay  
I'm out here get the pay

Mama can finally smile  
Take a look at me now  
Young nigga too... cut it up... in a life...  
Bad b\*tch top down 24 see a... on the whip now  
I'm just living life hope you do the dame  
Keep a bust real nigga so I never change  
Look at me now, look at em in, I'm from the...  
I'm taking... I'm making... now I'm thinking big  
I got what... niggas do to win see we the best the less  
Is war time hope you niggas brough the vest  
Got plenty women we're from the...  
F\*ck e on that gucci... she come in a minute  
You're loving... I'm just tryin to will it  
... my nigga... life... I'm from the bottom came from the

mud

Was given nothing no love no... big smoke, no hubs  
back again showin off

I'm the definition in the blowin up

Look in my niggas eyes better know what's on us

You'd better know what's on us

'Cause I gotta sowing up

'Cause I gotta sowing up

'Cause I gotta sowing up

Mamma can finally smile

Take a look at me now
